President's Report

For those that have not yet seen the website, from 2009 we will be **GOING GREEN**. From the commencement of the 2009 Hillclimb Season, we propose introducing a new 'Type' into our competition categories. The new 'Type' will be for Electric and/or Alternate energy powered vehicles. This move will put the SDMA at the forefront of motorsport clubs in encouraging the use of 'green' vehicles. Details of the 'Classes' within the 'Type', and how such vehicles will be classified, are still being developed but will be available before the Season commences.

A further change for 2009 will be the expansion of the Type 5 vehicles Class (Open wheeled race cars). At present there are only two Classes 0-1,300cc and over 1,300cc. From the start of the 2009 Season we will be

adopting the same classes as applied to Formula Libre in the NSW and Australian Hillclimb Championships. These are:

- 0-750cc
- 751-1,300cc
- 1,301-2,000cc
- Over 2,000cc

There have also been changes to the rules relating to harnesses. These can be found elsewhere in the Newsletter.

In other hillclimb News, our congratulations go to Phil Pratt who came second in the NSW State Hillclimb Championship behind new State Champion Tim Edmondson and good luck to all club members running in the Australian Hillclimb Championship at Bathurst over the weekend 8 and 9 November.

I have been asked to let all members know of a new Website for Motorsport Classifieds. The ads are free with one photo. The web address is www.ozracerads.com . If you are buying or selling – check it out.

With the 2008 Season drawing to a close, the Drivers Championship is wide open. At this stage with only one round to go on 16 November, any one of 3 drivers could win. Good luck to (in alphabetical order) Daniel Burton, Stewart Clode and Ross Kelly. We look forward to some spirited competition!

This will all culminate in the 2008 Christmas Barbeque and Presentation on Sunday 14 December. Please see the separate [notice](#).

Other events occurring between now and the end of the year are:

- Club Meeting – Tuesday 18 November - CSCC
- The Dutton Rally on Friday 21 & Saturday 22 November for which we are still seeking officials – particularly the Friday. Whilst the Dutton organisation is fully catering lunches for its officials and drivers at the Sutton Road Driver Training Centre, we will have the Pitstop café open for drinks and crisps etc as well as limited sausage sambos for our officials and general spectators.
- MGCC Motorkhana - Sunday 23 November.

- Marques in the Park, Lake Ginninderra Belconnen – Sunday 23 November. If you are free and able to put your car on display, please contact Barb Bennett as soon as possible.
- Track maintenance - Saturday 6 December
- Christmas Barbeque and 2008 Presentations - Sunday 14 December ([see ad](#))

Please keep the above in mind and I hope to see you at the Presentation BBQ at least. Until then.....

Stay safe
